RESEARCH PROJECT – 2 sections:

1. Include a one-page description of your proposed research project, following these guidelines:

- Provide: "a concise account of the subject matter, an overview of each part of the research plan, specific project aims and the methodology. The summary should reflect the significance of the project." (CIHR Doctoral Research Awards Application Instructions, 2015).
- Describe your role in the project.
- Maximum one separate page of references is allowed.

2. Describe how your proposed research project supports the Mission Statement of the Canadian Centre for Health and Safety in Agriculture (½ page maximum):

"Our mission is to conduct and stimulate research, education and health promotion programs aimed at enhancing the health and well-being of agricultural, rural and remote populations."

NOTE: These 2 sections can be attached as a separate document or complete in the following pages.
