

Quote Requisition Form

Submitting Laboratory Information

First name

Last Name

Email

Principal Investigator Name

Principal Investigator Email

Institution/College/Department/Industry

Sample information

Sample Type/Description (include buffers, detergents, type of biological fluid or tissue)

Sample Species

Number of Samples for Analysis

Sample Analysis Type (Check all that apply):

Intact Protein Analysis

In-gel Protein Analysis

In-solution Global Proteomics

Metabolomics (Targeted/Untargeted)

Lipidomics (Targeted/Untargeted)

C4 Sample Cleanup

C18 Sample Cleanup

Peptide Fractionation

Phosphopeptides Enrichment and Other PTMs

SILAC/iTRAQ/TMT/Label Free Peptide Quantification

Targeted Protein Quantification (MRM, stable isotope labelling IS peptides)

High Abundance Protein Depletion

Other (e.g. peptide and protein sequencing; accurate mass determination; affinity purification)

Email the completed quote requisition form to Dr. George Katselis (george.katselis@usask.ca) and Brooke Thompson (brooke.thompson@usask.ca).
