

**Canadian Centre for Health & Safety in Agriculture
Founding Chairs Fellowship (2018)**

Documents Required for Review

- A completed **Founding Chairs Application Form**, including a description of the proposed research project and a description of how the proposed research project supports the Mission Statement of the **Canadian Centre for Health and Safety in Agriculture**.

"Our mission is to conduct and stimulate research, education and health promotion programs aimed at enhancing the health and well-being of agricultural, rural and remote populations."

- A completed **CIHR Project Biosketch CV**.
- Two letters of reference using the **Founding Chairs Supervisor/Referee Report Form**. One of the two reference letters must be from the trainee's current supervisor. For Postdoctoral trainees in the first year of their position, one of these assessments should be from their Ph.D. supervisor.
- Original or copies of official transcripts for all University studies undertaken.
- A letter indicating admission to a graduate college (Master's and Ph.D. applicants only).
- Proof of current or pending Postdoctoral/Clinical Fellow position (Postdoctoral/Clinical Fellow applicants only).
