

## Final Report and photos from Summit 7 are online

The Final Report from last year's Summit is available for download from the team website. **If you would like a printed copy of the report** sent to you please contact Duane Minish, Research Assistant, at [duane.minish@usask.ca](mailto:duane.minish@usask.ca) or via phone at 306-966-4098.

The report contains information about last year's Summit, and an updated list of the research team's most recent research publications. It also includes a list of resources and team member updates since Summit 7.

Please visit the Summit 7 webpage at: [www.cchsa-ccssma.usask.ca/ruraldementiacare/summit2014.html](http://www.cchsa-ccssma.usask.ca/ruraldementiacare/summit2014.html) to download a copy of the report as a pdf and to **view photos** from the 2014 Summit.

*To save paper and resources, printed Summit final reports are only being sent out to participants who specifically request them.*

## Share your ideas

Do you have news to share with Network Members at the Summit 8 or do you know of someone doing interesting work in the field of Rural Dementia Care?

Please share your comments with us via email at [debra.morgan@usask.ca](mailto:debra.morgan@usask.ca) or phone 306-966-7905.

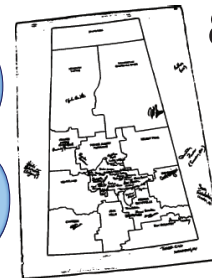

# Update and News

Knowledge Network in Rural and Remote Dementia Care

Summer 2015

Summit 8

## 8th Annual Summit Sheraton Cavalier Saskatoon

Tuesday, October 27th & Wednesday, October 28th, 2015

The 8th Annual Summit of the Knowledge Network in Rural and Remote Dementia Care will take place mid-week at the end of October 2015. There will be an *informal scientific poster session in the evening of Tuesday October 27th from 7:00 - 10:00 pm* which will provide participants the opportunity to learn more about each other and research being carried out in dementia care in our province and beyond. *The Summit meeting itself begins at approximately 8:00 am in the morning on Wednesday October 28th* and will feature two guest keynote presenters as well as research presentations and knowledge sharing activities until about 4:30 pm. Summit events will be held at the Sheraton Cavalier in downtown Saskatoon. The Summit meeting will include dedicated time for the Knowledge Network members to meet and network.

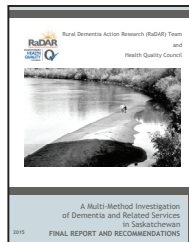

**Please register, no charge, for Summit 8 by September 21st!**  
See the next page for details, including this year's keynote presenters.

## Register for Summit 8 Now!

- Summit Registration is open **now!**
- It is important to register early to meet the meeting room and guest room deadlines with the hotel.  
**Please register by September 21st. There is no charge to register and attend.**
- Meeting agenda items are currently being finalized, and draft agendas will be sent to registered attendees once they are completed.
- We invite and encourage all Summit participants to include a **poster** in the Tuesday night poster session on October 27. This is an excellent opportunity to share what you are doing with other participants and is open to ALL attendees, both researchers and those who work in the field. Please let Duane know **by October 1st** if you plan to include a poster so we can plan our space requirements.
- If you have any questions about Summit 8, we invite you to get in touch. Please call Debra Morgan at 306-966-7905 or Duane Minish at 306-966-4098.

### Team update: RaDAR-HQC Report Released

Since incorporating input and feedback gained at Summit 7, the RaDAR-HQC Dementia Gap Analysis has been released.

Find it online under the Projects & Research tab at: [cchsa-ccssma.usask.ca/ruraldementiacare](http://cchsa-ccssma.usask.ca/ruraldementiacare)

## Summit 8

### Keynote Presenters: Dr. Dallas Seitz & Dr. Jayna Holroyd-Leduc

**Dr. Dallas Seitz, MD FRCPC** is an Assistant Professor and Clinician Scientist in the Division of Geriatric Psychiatry at Queen's University. He completed his MD at the University of Saskatchewan in 2003 and his psychiatric residency training at Queen's University. Dr. Seitz completed fellowship training in clinical epidemiology at the University of Toronto and completed his PhD in Clinical Epidemiology and Health Services Research at the Institute of Health Policy, Management and Evaluation at the University of Toronto. His current research examines health service utilization of older adults with psychiatric disorders; evaluation of the safety and efficacy of treatments for geriatric mental health conditions; and, knowledge translation in geriatric mental health.

### Dr. Jayna M. Holroyd-Leduc, MD

**FRCPC** is an Associate Professor in the Departments of Medicine and Community Health Sciences at the University of Calgary, Alberta, Canada. She received her medical degree and then completed residency training in Internal Medicine and Geriatrics at the University of Toronto, Ontario, Canada. She completed a research fellowship in Geriatrics and Quality Improvement as a VA Quality Scholar at the University of California, San Francisco, USA. Her research interests include knowledge synthesis and translation focused on improving care provided to older adults. She is the Scientific Director of the Alberta Seniors Health Strategic Clinical Network, the KT Chair of TVN (Technology Evaluation in the Elderly Network) NCE, and an Associate Editor for the Canadian Medical Association Journal.
